May 8 - May 22

Please be in Prayer

"Declare His glory among the nations,
His marvelous deeds among all people." - 1 Chronicles 16:24

SAFETY AND HEALTH

Pray for the team's protection from harm and illness throughout their journey and stay in Uganda. This includes safe travel, protection in their daily activities, and health, especially in adjusting to different environmental conditions and avoiding diseases common to the region.

EFFECTIVENESS OF MINISTRY

Focus prayers on the team's ability to connect and share effectively with the communities they encounter. Ask for wisdom in navigating cultural differences, clarity in communication, and that their actions and words profoundly impact the people they serve, meeting both spiritual and practical needs.

TEAM UNITY AND PERSONAL GROWTH

Pray for strong bonds of unity and cooperation within the team, enabling them to work seamlessly and support each other. Additionally, seek personal development for each member in faith and character, cultivating a deeper reliance on God and a commitment to serve with humility and love.
